2018 R. BRYAN MILLER SYMPOSIUM
MARCH 15 – 16 | ARC BALLROOM

THURSDAY, MARCH 15
Chemistry of the Microbiome

OPENING PLENARY SPEAKER:
Jon Clardy
Harvard Medical School
Hsien Wu & Daisy Yen Wu Professor of Biological Chemistry & Molecular Pharmacology

KEYNOTE SPEAKER:
Glenn Nedwin
2nd Genome
CEO and President

Susan Lynch
UC San Francisco
Professor of Medicine-Gastroenterology

Steven Frese
Evolve Biosoystems
Research & Development

Jessica Green
University of Oregon
CTO of Phylagen, Inc.

Trent Northen
Berkeley Lab Biosciences
Director of Array-Based Assays

Pieter Dorrestein
UC San Diego
Professor Chemistry & Biochemistry

PRESENTED BY:

Friday, March 16
Miller Symposium

CLOSING PLENARY SPEAKER:
Michael Marletta
UC Berkeley
Ch and Annie Li Chair Professor of Chemistry & Molecular & Cell Biology

Helen Blackwell
University of Wisconsin-Madison
Professor of Chemistry

Carlito Lebrilla
UC Davis, Department of Chemistry
Distinguished Professor of Chemistry

Erin Carlson
University of Minnesota
Professor of Chemistry

Iyassu Sebat
Kallyope
Sr. Director of Chemistry

Vanita Sood
EMD Serono
Sr. Director, Drug Structure, Prediction & Design

SPECIAL ADDRESS:
Arthur Wellman, Esq.  Wellman Law Firm

REGISTER:
http://conferences.ucdavis.edu/miller
deadline for registering is Tuesday, March 13, 2018
Register early, seating is limited
